GAUNTLET 1976

IMPERIAL BEACH, CA.
VOLUME 12

Life is a long road and the pathways through high school are memorable ones. They are considered to be the most important pathways in life because they are the future which each of us travel.

Education is in itself a wide and heavily traveled pathway-each leading to some goal set by those who are traveling upon it.

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections. However, if the goal is kept in view, all difficulties can be overlooked, and the pathway will have served its purpose of furnishing a means of travel toward the goal.

Mr. Wayne Van Gaasbeck came to Marian in Sept. 1972. As a class, we have grown with him and have realized all the hard work and dedication he has displayed these past four years. Mr. Van has been responsible for the production of the yearbook and has sacrificed many hours of his free time in order to meet deadlines. Besides being yearbook advisor, he is also a full time science teacher and senior class moderator. The 1976 Gauntlet Staff is proud to dedicate this yearbook to Mr. Wayne Van Gaasbeck with our sincerest gratitude and best wishes for years to come.

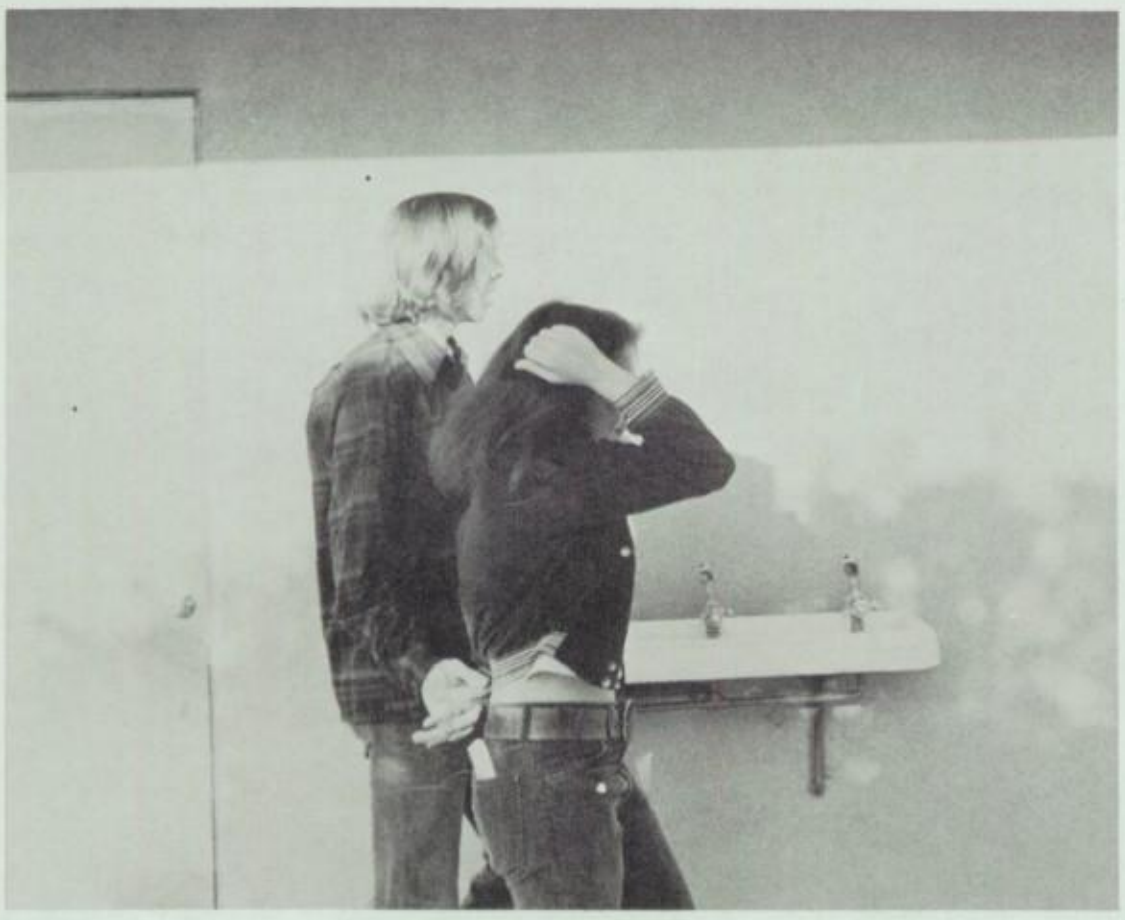
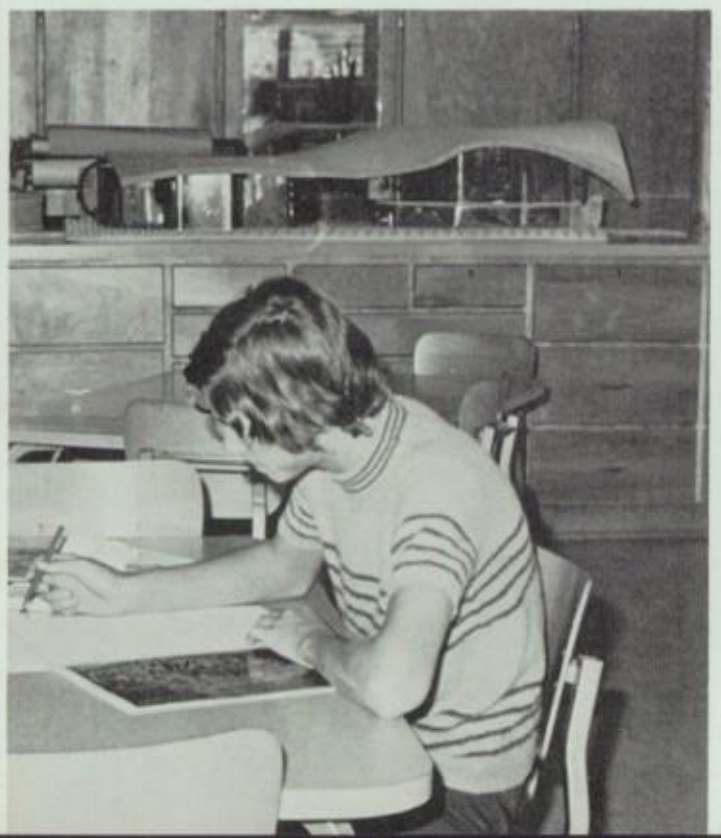
BACK TO THE BOOKS

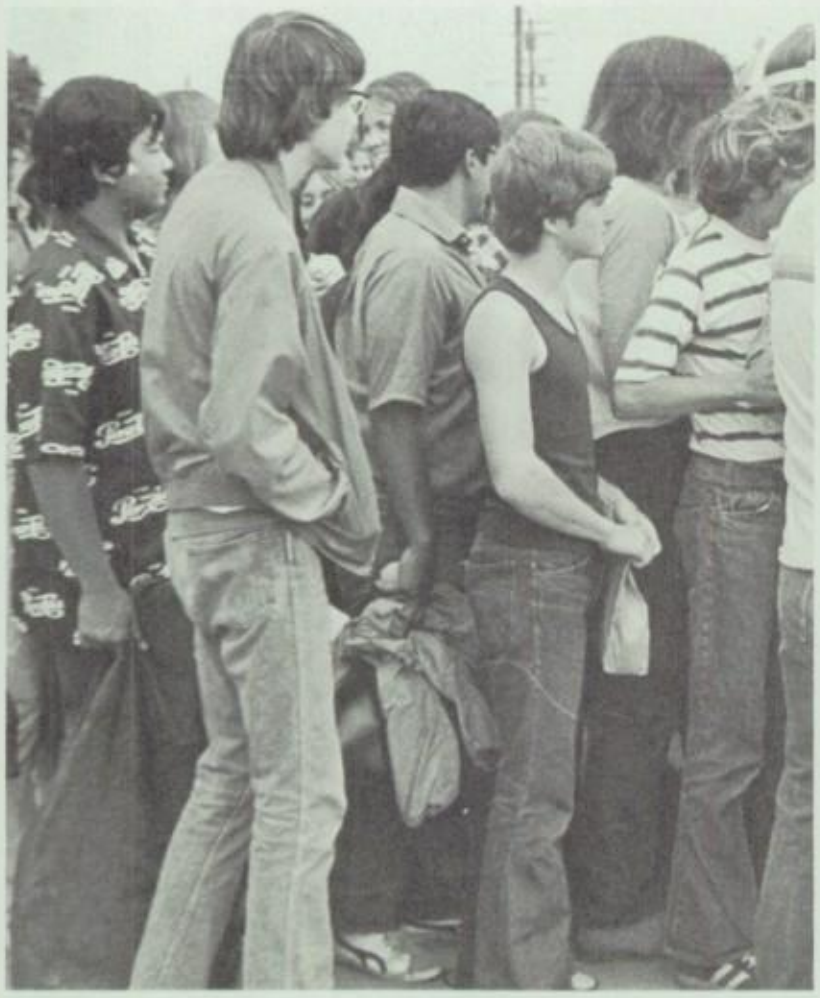
Back to the books! Registration is always a day of confusion experienced by many. This year each individual class registered on separate days. Once again students familiarize themselves with classmates, teachers, and books. Their thoughts no longer wander to the beach, and sun, but rather Math, English, Typing. . .

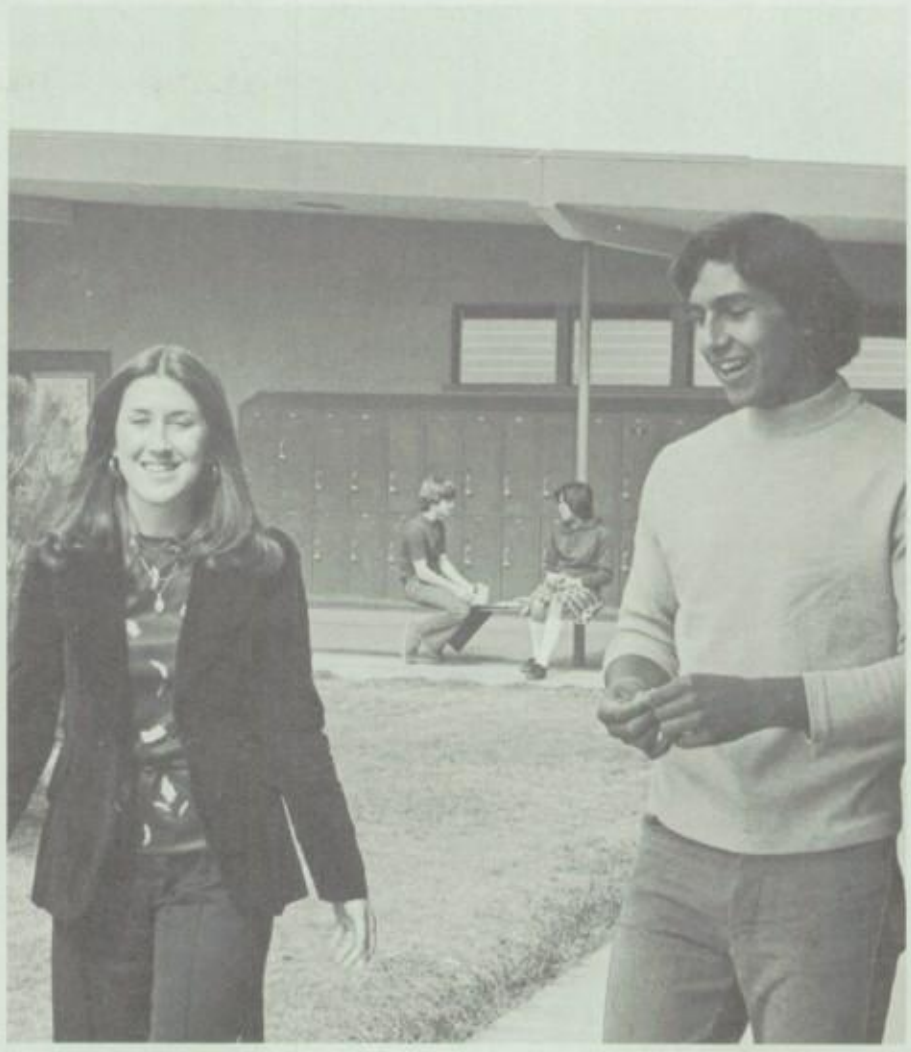


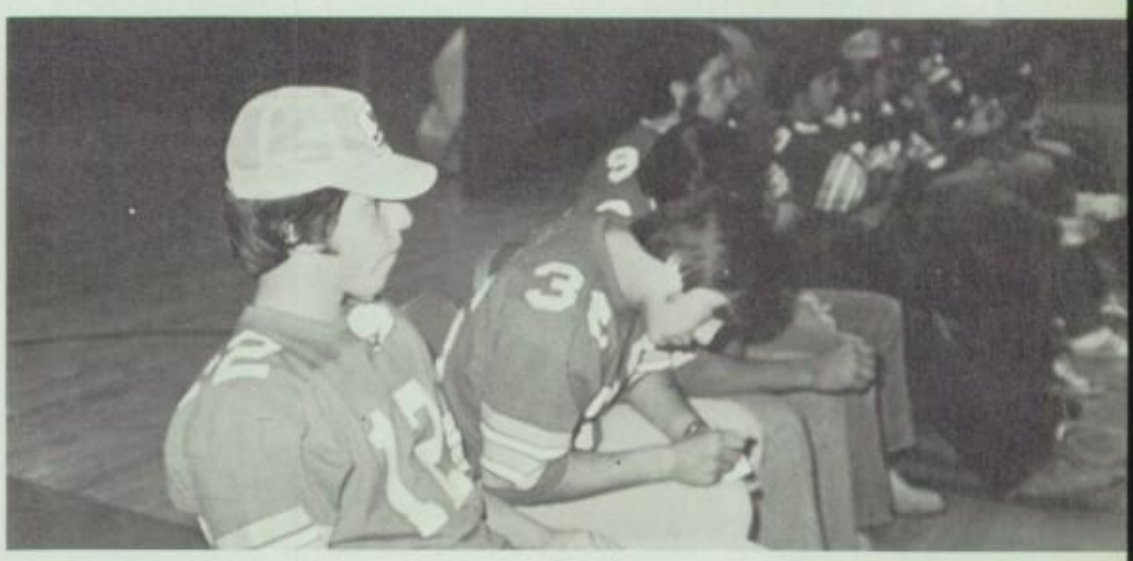


SPIRIT WEEK

Bmoc - Kevin Keenan







Spirit Week is a week set aside in the year in which the student body prepares for Homecoming. This year the A.S.B. sponsored many activities such as box lunch day for the football teams, carnation sales, blue and gold day and finally a Big Man on Campus contest which went to Kevin Keenan.

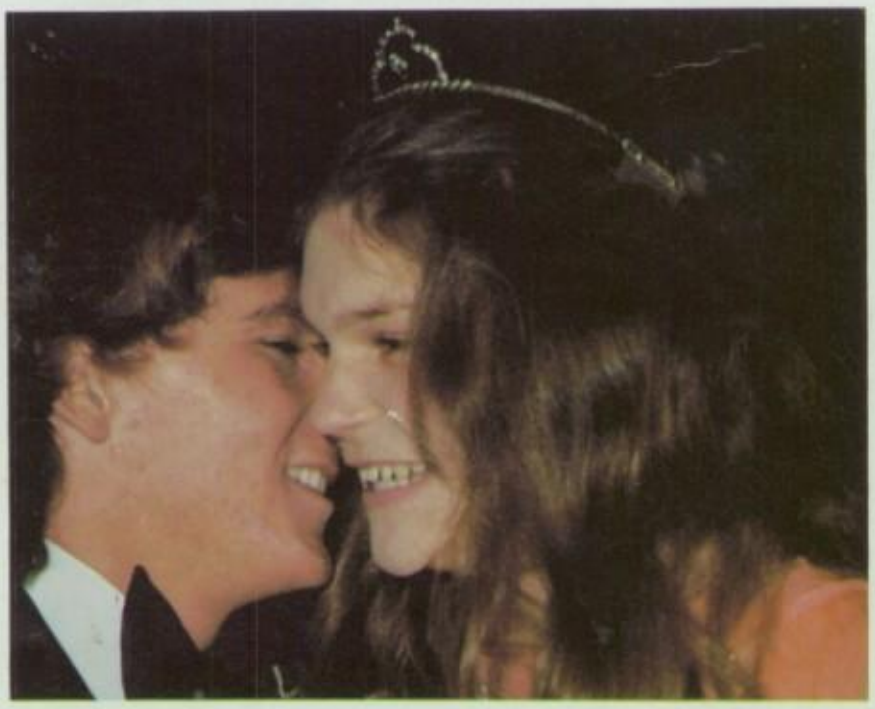
Homecoming this year was held on October 31. What a night! This year's queen, Miss Anne Bajo was crowned at halftime. Her court consisted of Cindy Belsan, Cathy Gabbard, Hortencia Garcia and Ping Grayson. Last year's queen Miss Wendy Belsan was there to pass down the crown.

1975's drill team was on hand to welcome the princesses and new queen through the flowered arches. This years Homecoming was a total success and enjoyed by all who attended. The credit for the beautiful float goes to the Sophomore class who spent many hard hours working towards it's completion.

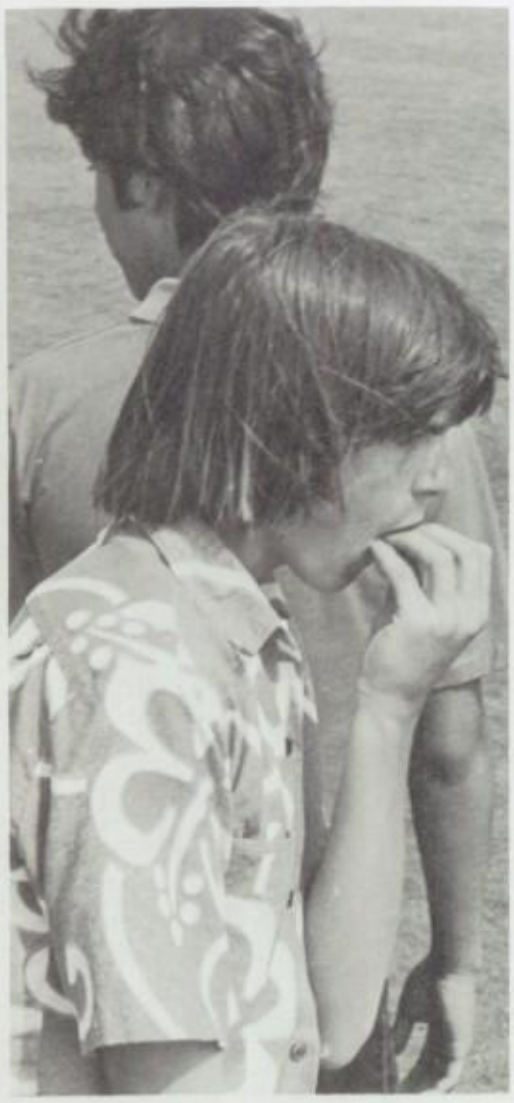


FRESHMEN SPIRIT DAY

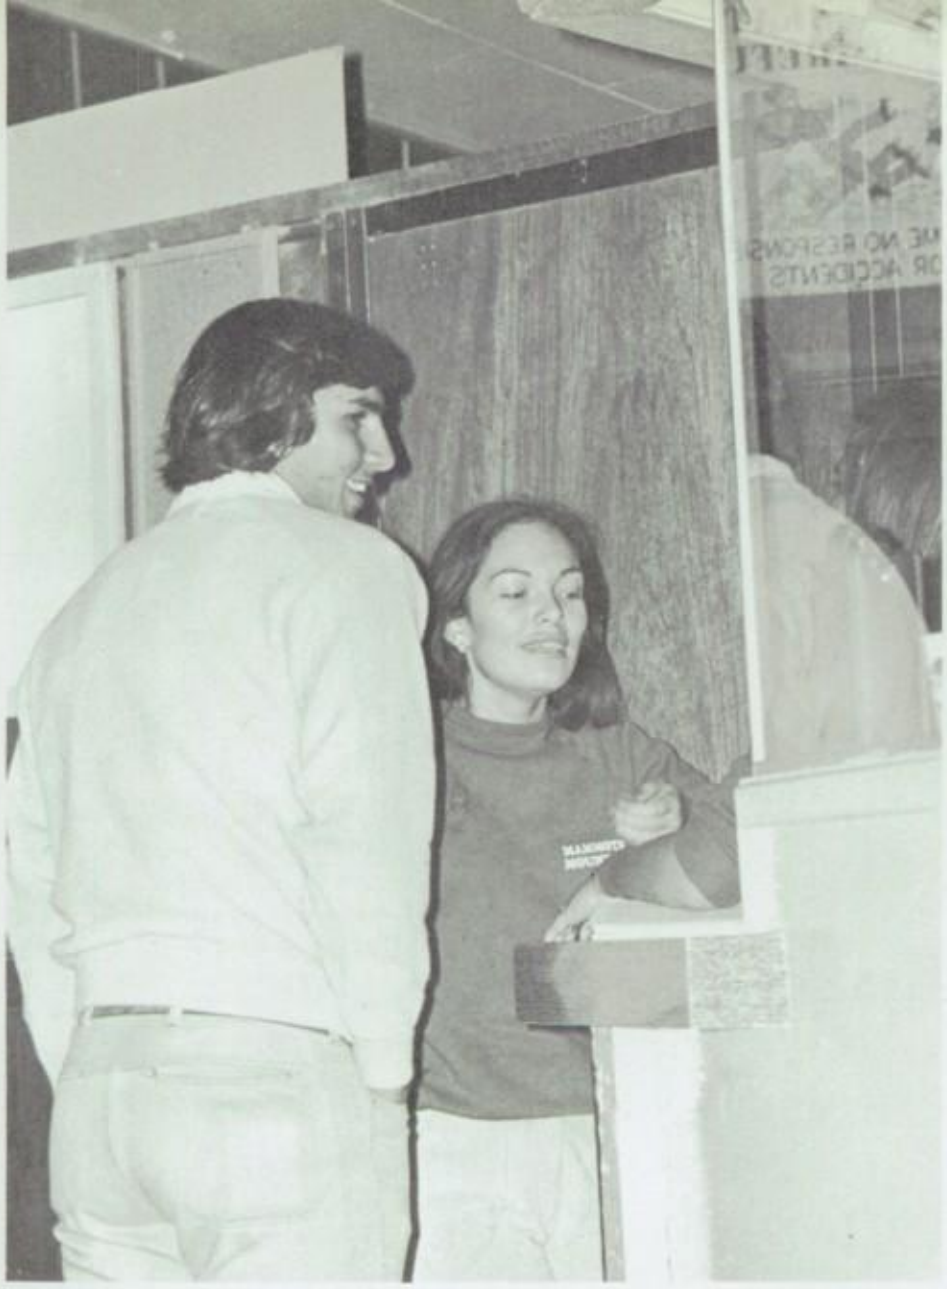
This year the Freshman Class held their spirit day at Coronado Beach. The day was enjoyed by all.

The class of '78 is a very energetic, unified group.
Their spirit is known throughout the entire campus.

JUNIOR SPIRIT DAY

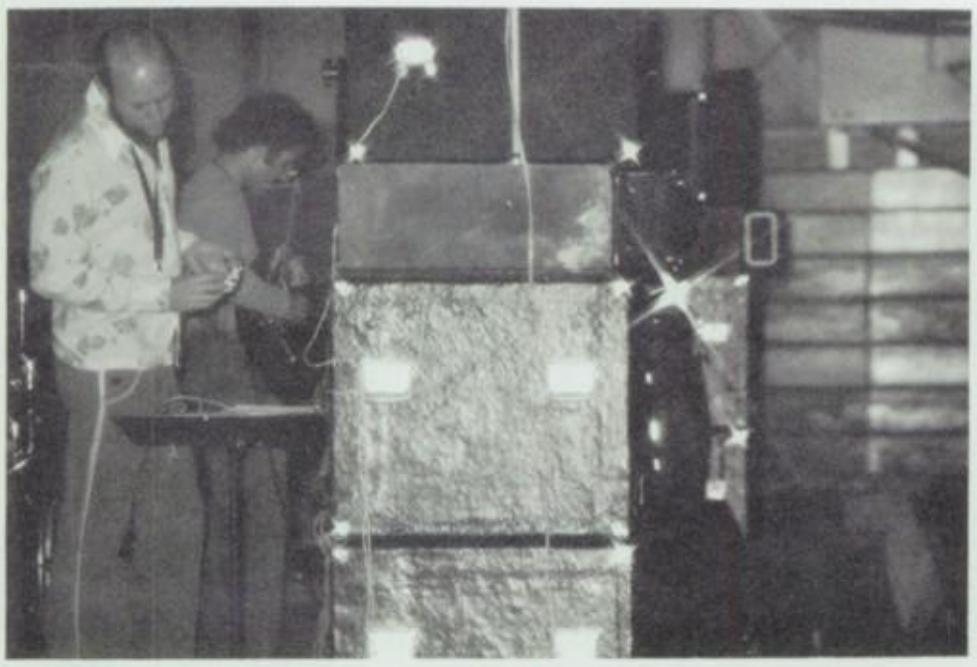


SENIORS



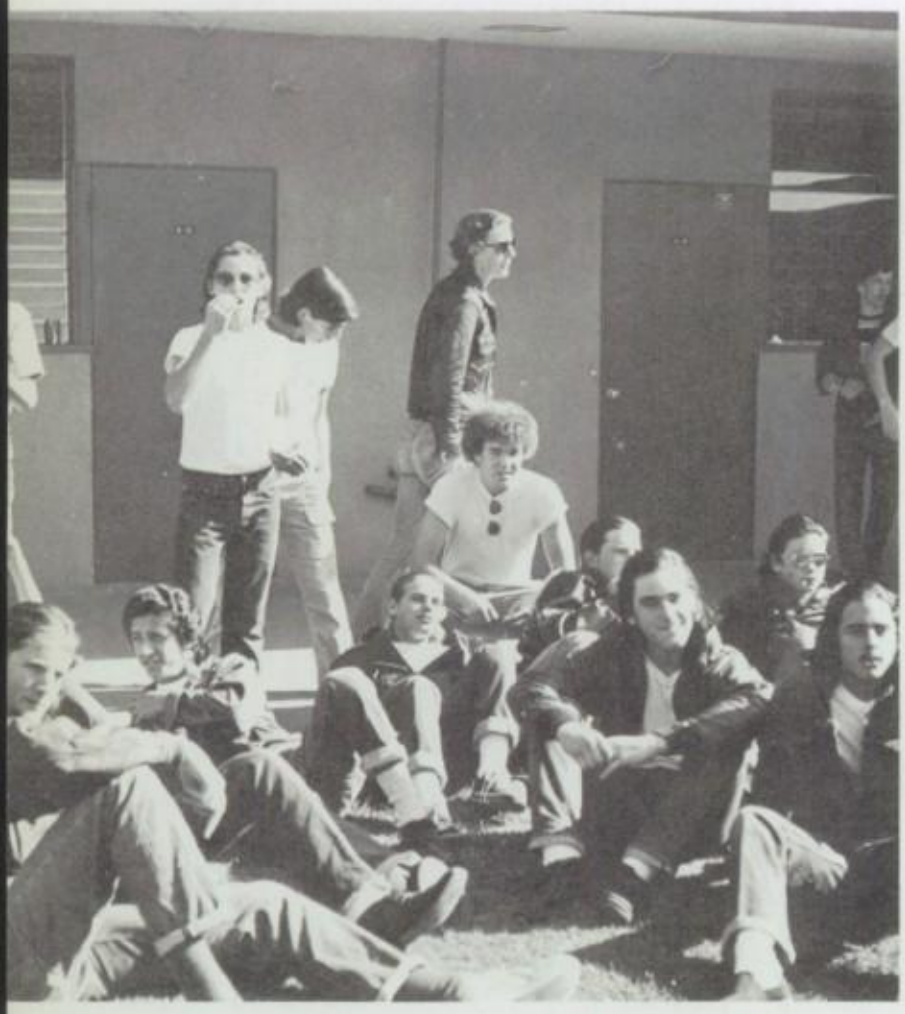
Whether they're on campus or off, the seniors tend to enjoy themselves. Top picture shows a few of the seniors at the skating party this year at Sweetwater Roller Rink.

SWEETHEARTS' COURT



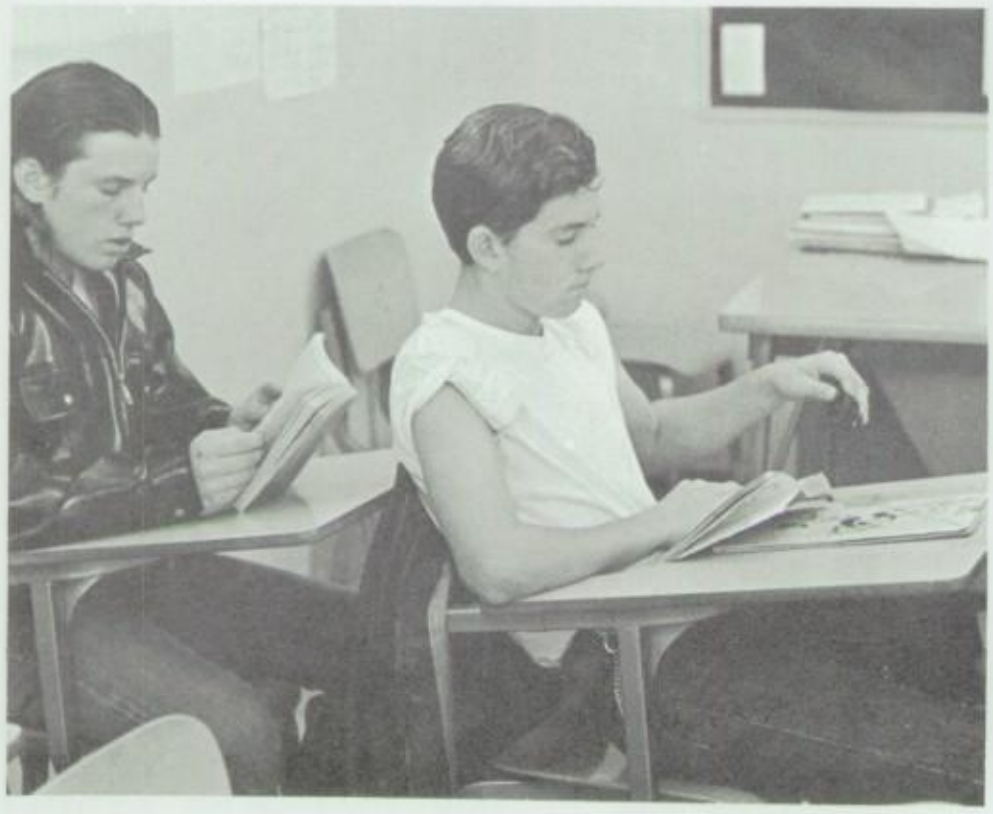
Sweethearts was one of the many activities put on by the ASB. It is traditionally girls ask guys. Classes, with the exception of the Senior Class, voted for one princess to represent them in the Sweethearts Court. The Senior Class voted for the Queen and King.

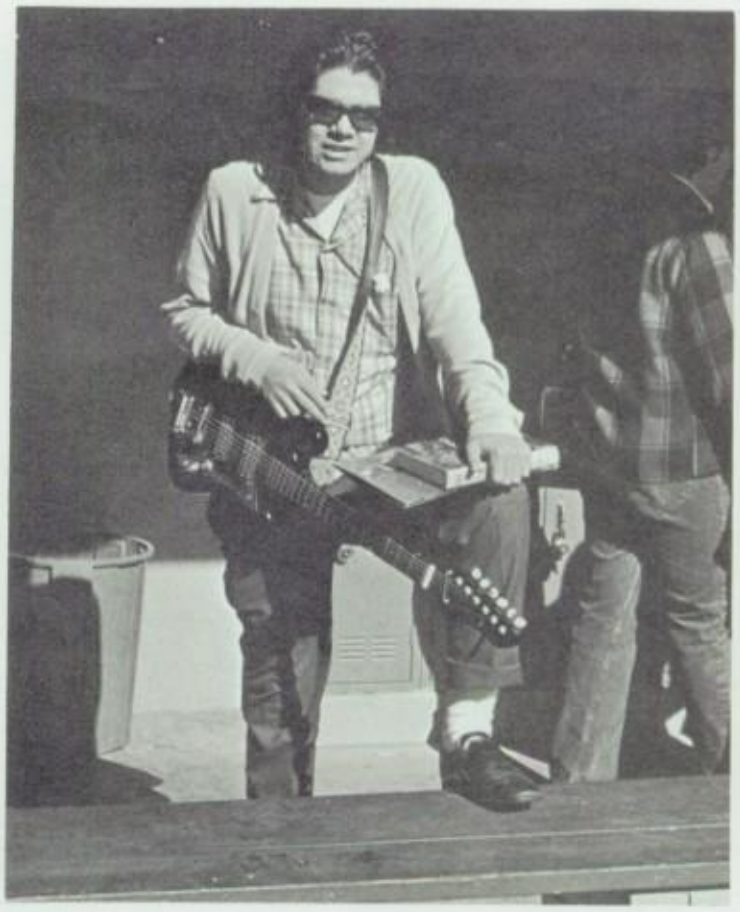
HAPPY DAYS ARE



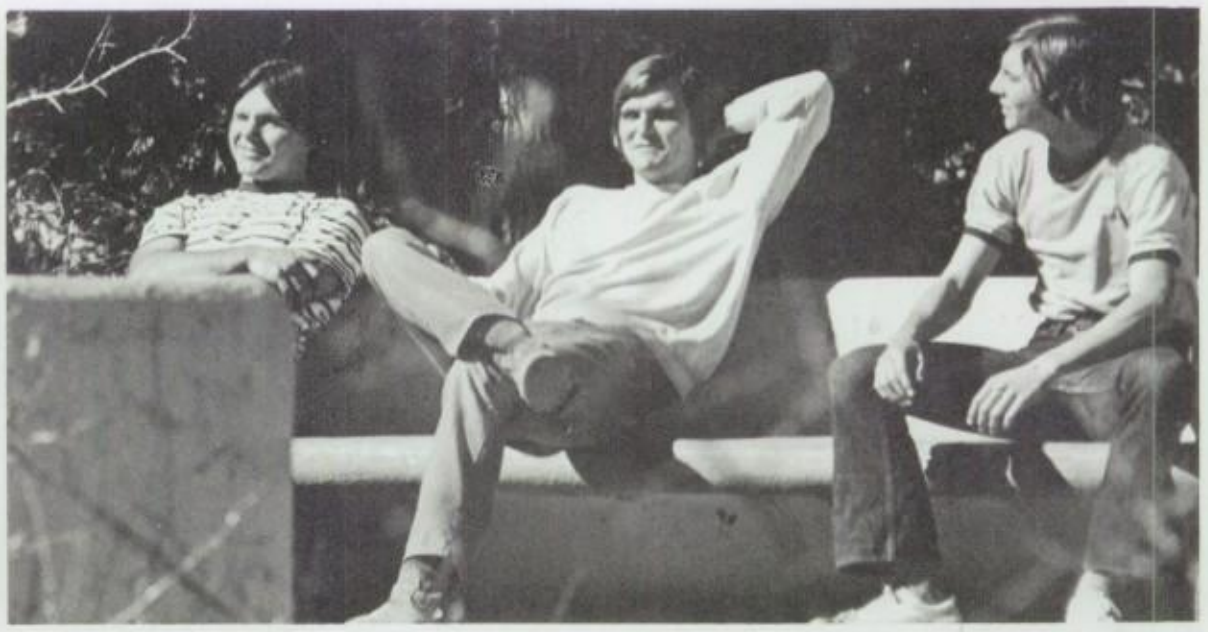
Hey all you cool cats. The Fonz is real proud of ya. Marian's second annual 50's Day was a big success. This year the 50's dance featured "Dutch and the Dynamos."

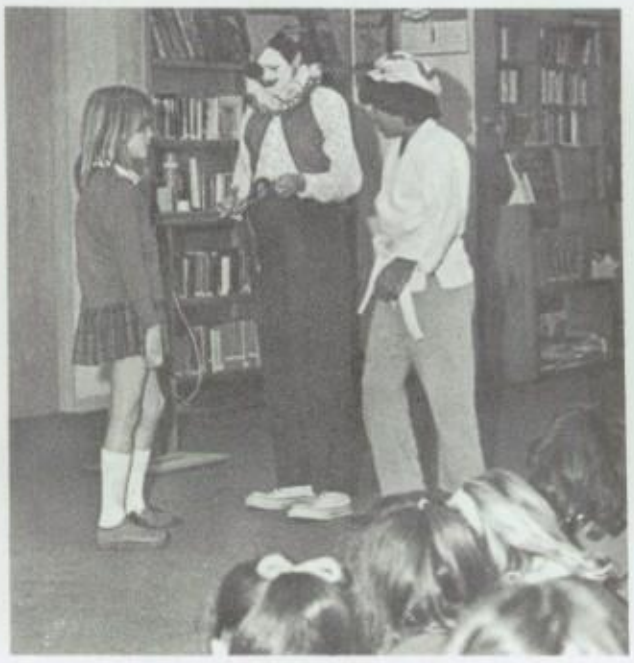
HERE AGAIN . . .

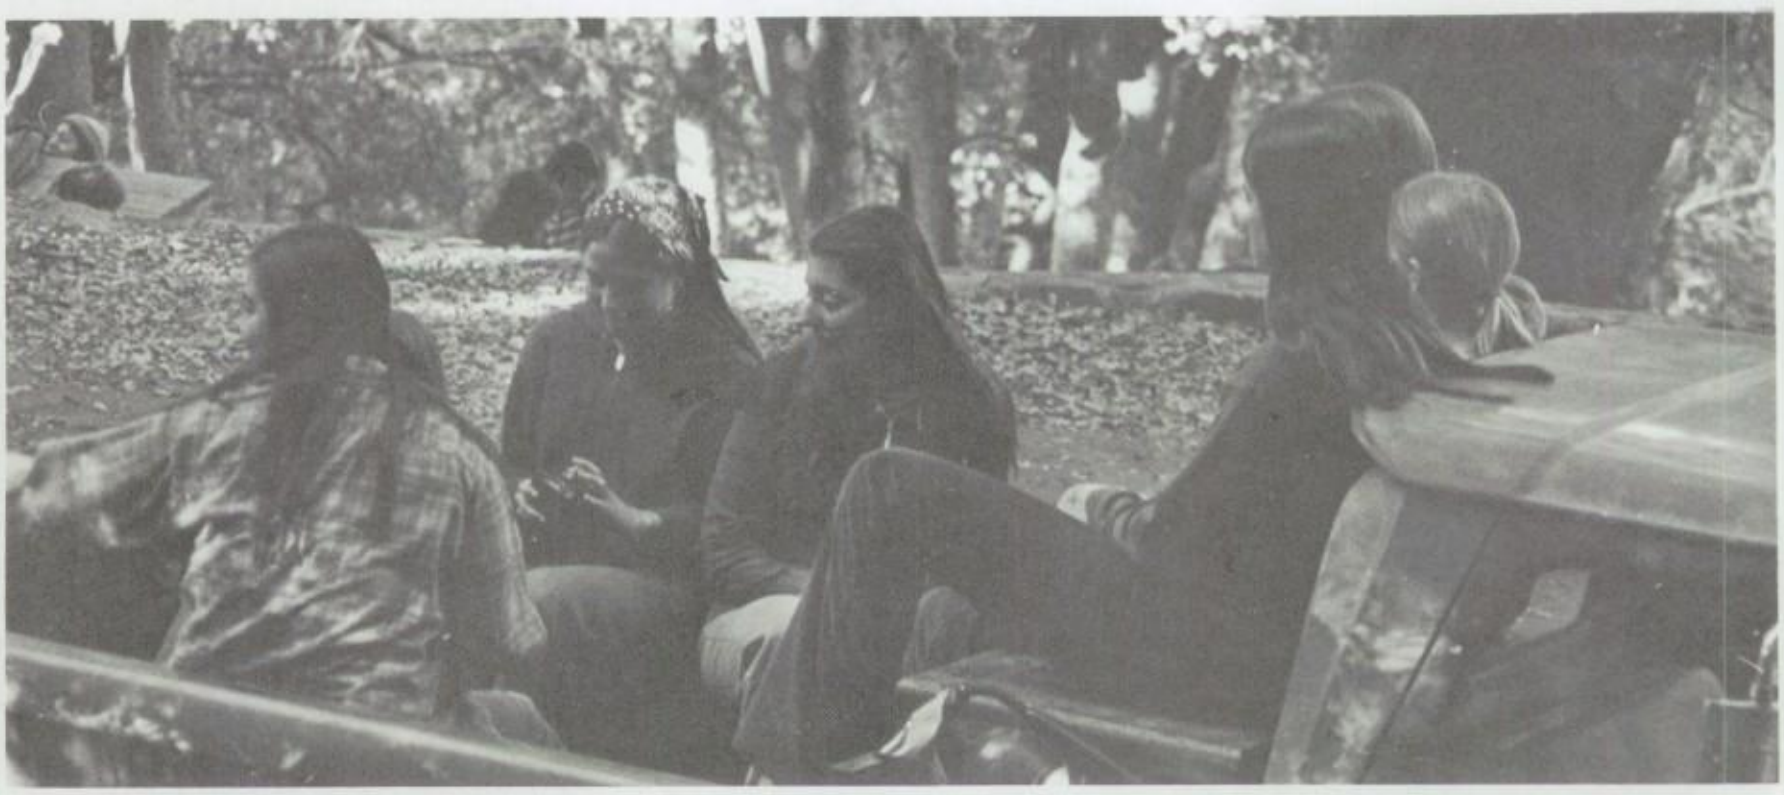




MINI-COURSES





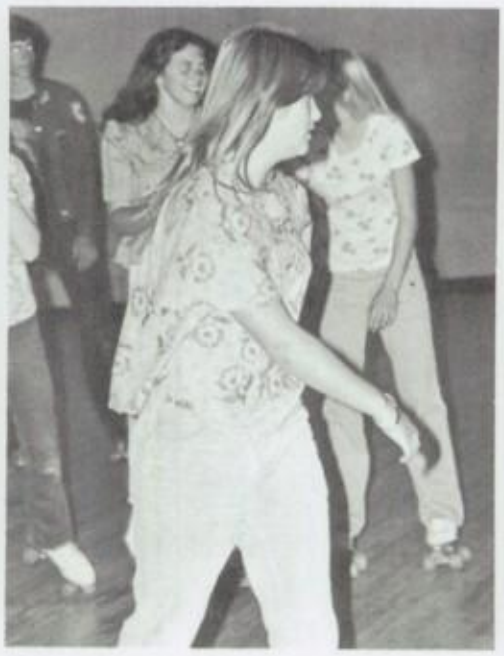


Mini-course provided us with an experience that was both educational and pleasurable. It was a chance for students to choose two weeks of activity that would be enjoyable and helpful. Mini-courses shown: Astronomy Variety Pak, Camping, Downhill and Cross-Country skiing, California coast and Campuses, and Criminal Justice. Many students are already planning future mini-courses.

RALLIES

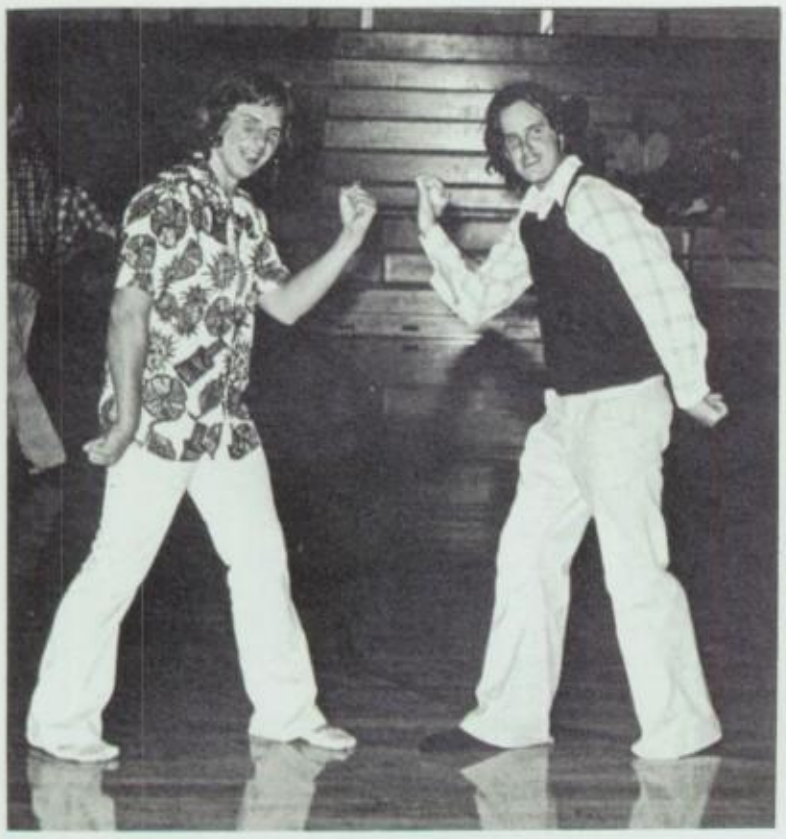
Rallies: Rallies were enjoyed by everyone. They gave a boost to the Marian Spirit. With help from the Pep Club and the Cheerleaders, the rallies made everyone ready for the game ahead. Coaches introduced the players and the whole setting inspired the players and the crowd for the upcoming game.

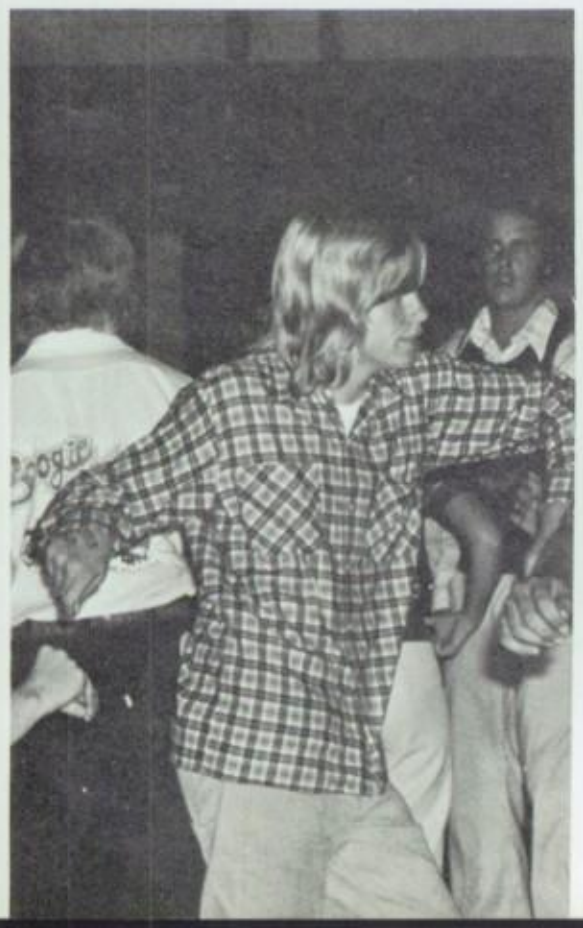
ROLLIN' ALONG



One of the more popular events held this year was the skating party. The skating party was held at Sweetwater Roller Rink. A large number of students attended and all seemed to enjoy themselves.

LET'S BOOGIE





The Marian High dances are one of the many exciting activities held during the year. The dances held were the Howdy Dance, Christmas Dance, and many others.

MASSES

This year more students have attended masses held during school. The number of masses have increased and so have the number of students. Most of the masses are held at St. Charles Church such as the Thanksgiving and Christmas masses.

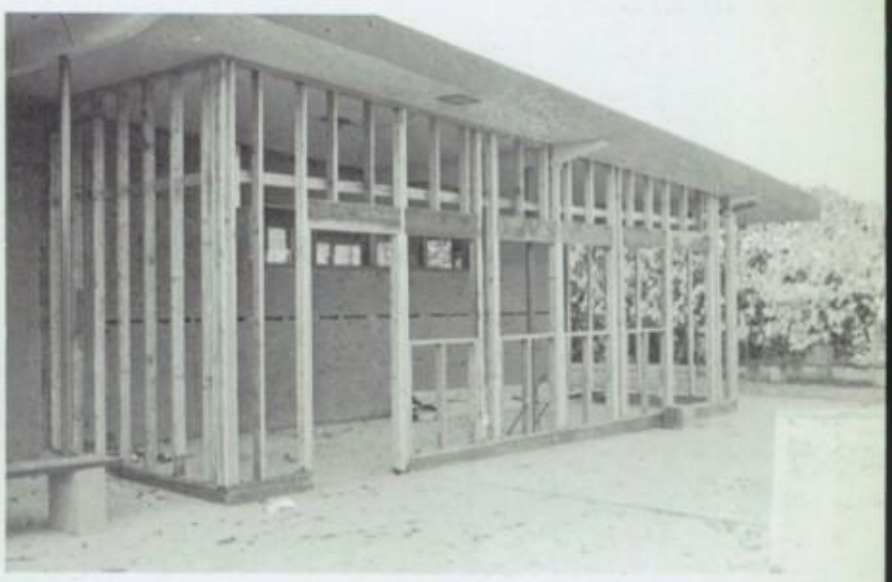
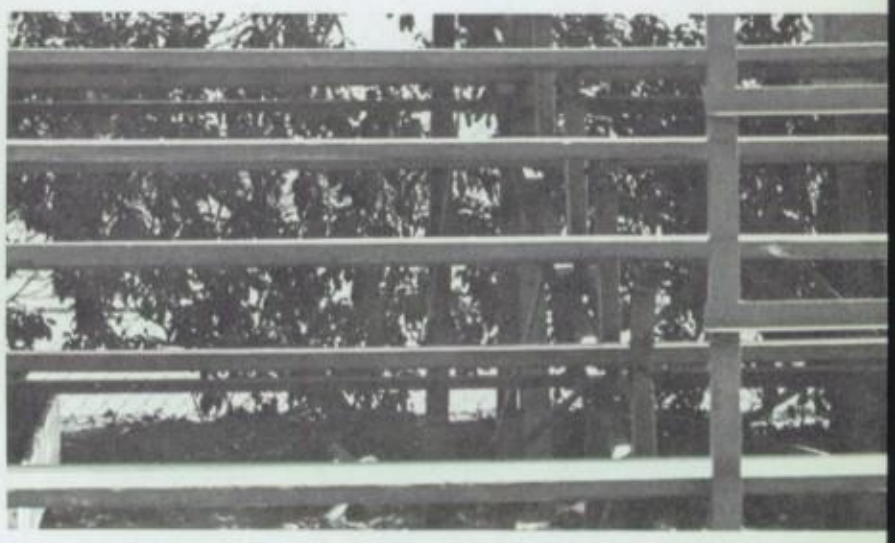
PTG & BOOSTERS

The Boosters are always responsible for the new things that happen at Marian each year; '76 was no exception. The Boosters worked hard to help finance the new things on campus. Presented to the School this year was the new snack bar called Mary's Place in honor of Mary Parker. Also presented to the school was a new set of bleachers on the visitors side of the football field. We thank the boosters for their generous help.

This year the Marian High School Parent Teacher Group worked in guilds. The guilds assisted the school in raising funds for tuition aid and also in a drive to increase enrollment at Marian. We are proud that our parents take a sincere interest in our school.





AT LAST . . . IT'S DONE!

This year's Gauntlet Staff was comprised of many varied talents. As a group we learned to cope, work, and finally to laugh with one another. It was hectic and even frustrating, but every minute was worthwhile. Through all of the events we kept our sense of purpose. Now that it's done, we hope you are pleased. We wish to thank our parents and our teachers for their encouragement and especially their calm endurance.

Remember

Remember me when I am gone away,
Gone far way into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.

Remember me when no more day by day
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.

Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.
